

## PE-1000 Ast 2000x1000x3 mm black

Article No. P2200872

● Resistant
 ● Partially resistant
 ● Not resistant

| Chemical                              | Concentration | Resist. |
|---------------------------------------|---------------|---------|
| 1,4-Dioxane                           | 100           | ●       |
| 2-Hydroxypropionic acid (lactic acid) | 90            | ●       |
| Acetic acid                           | 100           | ●       |
| Acetone                               | 100           | ●       |
| Ammonia                               | —             | ●       |
| Ammonium chloride                     | —             | ●       |
| Amyl alcohol                          | —             | ●       |
| Benzene                               | —             | ●       |
| Boric acid                            | 100           | ●       |
| Brake fluid                           | —             | ●       |
| Butyl acetate                         | —             | ●       |
| Calcium chloride                      | —             | ●       |
| Citric acid                           | 10            | ●       |
| Cresol                                | —             | ●       |
| Cyclohexanone                         | 100           | ●       |
| Cyclohexene                           | 100           | ●       |
| Diesel                                | —             | ●       |
| Ethyl acetate                         | 100           | ●       |
| Ethyl alcohol (ethanol)               | 96            | ●       |
| Food oil                              | —             | ●       |
| Formaldehyde, aqueous                 | 40            | ●       |
| Formic acid                           | 10            | ●       |
| Frost protection agent                | —             | ●       |
| Fuel oil                              | —             | ●       |
| Fuel, aromatic free                   | —             | ●       |

| Chemical                                 | Concentration | Resist. |
|------------------------------------------|---------------|---------|
| Glycerine                                | 100           | ●       |
| Glycol                                   | 100           | ●       |
| Heptane                                  | 100           | ●       |
| Hydrochloric acid                        | 10            | ●       |
| Hydrochloric acid (concentrated)         | —             | ●       |
| Hydrogen peroxide                        | 10            | ●       |
| Isopropyl alcohol                        | 100           | ●       |
| Linseed oil                              | —             | ●       |
| Mercurochrome                            | —             | ●       |
| Methyl alcohol (methanol)                | 100           | ●       |
| Methylene chloride                       | 100           | ●       |
| Milk                                     | —             | ●       |
| Mineral oils, aromatic free              | —             | ●       |
| Nitric acid                              | 50            | ●       |
| Nitric acid                              | 10            | ●       |
| Nitrobenzene                             | —             | ●       |
| Oxalic acid                              | —             | ●       |
| Ozone (gas)                              | ≤ 0.5 ppm     | ●       |
| Paraffin oil                             | 100           | ●       |
