| Kemikalie                        | Koncentration | Temp.  | Beständighet |
|----------------------------------|---------------|--------|--------------|
| 1,4-Dioxan                       | 100%          | 20 Å°C |              |
| 2-Hydroxipropionsyra (mjölksyra) | 90%           | 20 Å°C |              |
| Aceton                           | 100%          | 20 Å°C |              |
| Ammoniak                         | conc.         | 20 Å°C |              |
| Ammoniumklorid                   | â€            | 20 Å°C |              |
| Amylalkohol                      | â€            | 20 Å°C |              |
| Bensen                           | â€            | 20 Å°C |              |
| Bensin (premium)                 | â€            | 20 Å°C |              |
| Blekningslösning                 | 12.5 cl       | 20 Å°C |              |
| Borsyra                          | 100%          | 20 Å°C |              |
| Bromsvätska                      | â€            | 20 Å°C |              |
| Brombensen (aromatfritt)         | â€            | 20 Å°C |              |
| Butylacetat                      | â€            | 20 Å°C |              |
| Citronsyra                       | 10%           | 20 Å°C |              |
| Cyklohexanon                     | 100%          | 20 Å°C |              |
| Cyklohexen                       | 100%          | 20 Å°C |              |
| Diesel                           | â€            | 20 Å°C |              |
| Dietylenoxid                     | â€            | 20 Å°C |              |
| Eldningsolja                     | â€            | 20 Å°C |              |
| Etylacetat                       | 100%          | 20 Å°C |              |
| Etylalkohol (etanol)             | 96%           | 20 Å°C |              |
| Etylenklorid                     | 100%          | 20 Å°C |              |
| Fenol (vattenl.)                 | ca. 9%        | 20 Å°C |              |
| Fluorvätska                      | 40%           | 20 Å°C |              |
| Formaldehyd (vattenl.)           | 40%           | 20 Å°C |              |
| Fosforsyra                       | 50%           | 20 Å°C |              |
| Frostskyddsmedel                 | â€            | 20 Å°C |              |

| Kemikalie                          | Koncentration | Temp. | Best ndighet |
|------------------------------------|---------------|-------|--------------|
| Glycerin                           | 100%          | 20  C | ●            |
